Module 8 — Yoga and the Body (Darśana)

Sanskrit: *Yoga* · **Band:** Primary (3-5) · **Duration:** 60 min · **Path:** Darśana (Workshop)

Patañjali's eight limbs and safe āsana practice.

Darśana note. This workshop condenses Module 8's full 10-day arc into one hour. For the deeper version — daily lesson plans, quizzes, assessments, slide decks — switch to [Adhyayana](#) (the Full Course path).

Opening hook · 5 min

All stand. *“Reach up high! Bring hands together. Now bow slow.” “That’s sūrya namaskāra — a yoga sequence. Today we learn what YOGA really means in India.”*

Core idea · 15 min

Yoga is more than just stretching. It's a way to feel good in your body and your mind.

Eight parts of yoga: 1. Yama — be kind to others 2. Niyama — be kind to yourself 3. Āsana — body poses 4. Prāṇāyāma — breath 5. Pratyāhāra — turn senses inward 6. Dhāraṇā — focus 7. Dhyāna — meditation 8. Samādhi — deep peace

Today: try a little of each!

Demonstration · 10 min

Lead a gentle 3-pose sequence: stand tall (tāḍāsana), bend forward (uttānāsana), stretch arms up (ūrdhva hastāsana). Each held for 3 breaths.

Source moment · 5 min

Tell the story of Patañjali, a wise teacher who said: *“Yoga is not just bending your body. It's being kind, breathing well, focusing your mind, and being at peace.”*

Hands-on activity · 15 min

Design a 3-minute “kind-yoga” sequence: one ethical commitment (yama/niyama), one pose, one breath. Each child shares.

Reflection + take-home · 10 min

Each child says one limb they liked. Cheer for each.
