IKS Curriculum - primary band

Module 13 — Indic Ecology — Vasudhaiva Kuṭumbakam (Darśana)

Sanskrit: *Vasudhaiva Kuṭumbakam* · **Band:** Primary (3-5) · **Duration:** 60 min · **Path:** Darśana (Workshop)

“The world is one family” — Indian ecological frameworks.

Darśana note. This workshop condenses Module 13’s full 10-day arc into one hour. For the deeper version — daily lesson plans, quizzes, assessments, slide decks — switch to [Adhyayana](#) (the Full Course path).

Opening hook · 5 min

Show a picture of Earth from space. “Look. One Earth. One family. Today: an old Sanskrit phrase that says exactly this.”

Core idea · 15 min

The Earth is one family.

Old wisdom from India: - **Vasudhaiva Kuṭumbakam** (वसुधैव कुटुम्बकम्) — “the Earth is one family” - All people, animals, plants, mountains, rivers — one family.

Old practices: - **Sacred groves** — small forests where people don’t cut trees - **Rivers worshipped** — Ganga, Yamuna, Saraswati - **Yajña** (यज्ञ) — give back what you take

Today: small acts to care for our family.

Demonstration · 10 min

Each child draws “one family of Earth” — themselves, their family, one animal, one plant, one river. Decorate.

Source moment · 5 min

Tell the story of an old wise woman who looked at the Earth and said: “*vasudhaiva kuṭumbakam*” — “the Earth is our family.”

Hands-on activity · 15 min

Class decision: ONE small action together this week (water saving, no plastic, tree care). Each child commits.

Reflection + take-home · 10 min

Each child commits one small Earth-care action for this week. Cheer.
