

Day 1 — Five Gifts Story

Module: Five Gifts from India (Primary) · **Time:** 30 min

Goal

Children meet all 5 gifts and learn the daily chant.

Materials

- 5 picture cards (zero, yoga pose, herbs/spices, math symbols, vīṇā or other Indian instrument)
- Drawing paper

Flow

Settle + chant intro (5 min)

Sit on mat. Teach the chant:

“Zero! Yoga! Ayurveda! Vedic Math! Music!”

“Five gifts from India to the whole wide world!”

Say it 3 times.

Story (10 min)

“A long, long time ago — about 2000 years ago — thinkers in India invented some amazing things. They shared these with the whole world. Today we meet FIVE of them.”

Hold up each card: - **Card 1: the number 0.** “Imagine trying to write ‘one hundred’ without zero. You couldn’t. India gave us zero.” - **Card 2: yoga pose.** “Standing tall like a mountain — that’s a yoga pose called *tāḍāsana*. India invented yoga.” - **Card 3: spices / a tulsi plant.** “Ayurveda is the old Indian way of staying healthy. Things like ginger tea when you have a cold come from this tradition.” - **Card 4: math symbols.** “India invented fast ways to do math in your head. We’ll meet some this week.” - **Card 5: an Indian instrument.** “Indian music has a special structure called *rāga* — different notes for different times of day.”

Drawing (12 min)

Each child picks ONE gift and draws it.

Show + chant (3 min)

2 children show drawings. Class chants the gift name.

Homework

- Tell a parent about one of the five gifts at dinner tonight.

Differentiation

- **Tier up:** Draw all 5 gifts on one page.
- **Tier down:** Pick the gift with the easiest image (zero or yoga pose).
