Activity 01 — Which Friend Is Loudest?

Module: Three Friends (Primary) · **Reusable** · **Time:** 5 min

Goal

Children practise the daily “check-in” with their three friends.

Instructions

Stand in a circle.

Teacher calls one of these scenarios. Children point to a card (or say): which friend is loudest?

1. “*You’re running to school and are late.*” (Vāta!)
2. “*You’re hungry and lunch isn’t ready.*” (Pitta!)
3. “*You’re snuggled under a blanket on a rainy day.*” (Kapha!)
4. “*You’re focused on a puzzle.*” (Pitta!)
5. “*You can’t sit still.*” (Vāta!)
6. “*You’re falling asleep listening to a story.*” (Kapha!)
7. “*You’re talking really fast.*” (Vāta!)
8. “*You feel calm and patient.*” (Kapha!)

Discussion

- Did you ever feel TWO friends loud at the same time?
- Has the loudest friend changed today?

Project Brief

Project — Module 3 (Primary)

What you’ll make

Draw your THREE friends — Vāta, Pitta, Kapha — on one page.

For each: - A name (you choose!) - A face - One thing they like to eat - One thing that makes them happy

Schedule

- Day 7: think about your friends.
- Day 8: draw.
- Day 9: finish + practise.
- Day 10: Show & Tell, 30 seconds.

Stars

- ★ You named your friends
- ★★ You drew all three
- ★★★ You said which is usually loudest in YOU

Sticker for all.
