

# Day 2 — Vāta — The Motion Principle

**Module:** Doshas — Vāta, Pitta, Kapha (Primary) · **Time:** 30 min

## Goal

Identify vāta-style behaviours (quick, dry, cold, moving) in self and surroundings.

## Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

## The flow

### Settle + chant (3 min)

Daily chant or breathing exercise.

### Story recall (4 min)

Briefly recall yesterday's lesson by asking: “*What's one thing you remember from yesterday?*”

### Today's idea (10 min)

- *vāta* (IAST: *vāta*; lit. “motion principle (wind, ākāśa+vāyu)”)
- *vāta* is the **wind friend** inside us.
- Today's word: *vāta* (say “VAH-tah”).

Stand up. Wiggle hands in the air like leaves. “*That's vāta — moving, light, quick.*”

Each child draws **Wiggle** — a small figure with movement lines around it. What does Wiggle like? (Cool weather, dancing, talking, running.)

### Activity (8 min)

A simplified version of *Build a Doṣa Rhythm Clock* (see [activities/](#)). Draw, sing, or act it out.

### Wrap-up (3 min)

Each child shares one word that describes today.

## Homework

(See [homework.md](#).)

## Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
