

Day 3 — Pitta — The Transformation Principle

Module: Doshas — Vāta, Pitta, Kapha (Primary) · **Time:** 30 min

Goal

Identify pitta-style behaviours (warm, sharp, focused, transforming).

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: *"What's one thing you remember from yesterday?"*

Today's idea (10 min)

- *pitta* (IAST: pitta; lit. "transformation principle (fire, tejas+ap)")
- *pitta* is the **fire friend** inside us.
- Today's word: *pitta* (say "PIT-tah").

Hold hands near a lit candle (safely, from a distance). *"Feel the warmth. That's the kind of friend Spark is — warm, bright."*

Each child draws **Spark** — a small figure with a glow around them. What does Spark like? (Sharp puzzles, focused work, learning fast, eating well.)

Activity (8 min)

A simplified version of *Build a Doṣa Rhythm Clock* (see [activities/](#)). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See [homework.md](#).)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
