

Day 5 — Mapping to the Five Elements

Module: Doshas — Vāta, Pitta, Kapha (Primary) · **Time:** 30 min

Goal

Connect each doṣa to its two constituent elements (vāta=ākāśa+vāyu, pitta=tejas+ap, kapha=ap+pṛthvī).

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: *"What's one thing you remember from yesterday?"*

Today's idea (10 min)

- *prakṛti* (IAST: prakṛti; lit. "innate constitution")
- Vāta = ākāśa (space) + vāyu (air) — both light, both move.
- Pitta = tejas (fire) + ap (water) — fire that flows.
- Kapha = ap (water) + pṛthvī (earth) — wet earth holds shape.

Take the three friend drawings from earlier days. Beside each, draw the two elements that make that friend. Wiggle gets sky + wind. Spark gets fire + water. Cozy gets water + earth.

Sing the rhyme: *"Wiggle is sky and wind. Spark is fire and water. Cozy is water and earth."*

Activity (8 min)

A simplified version of *Build a Doṣa Rhythm Clock* (see [activities/](#)). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See [homework.md](#).)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
