

Day 7 — Doṣa Rhythms in a Day

Module: Doshas — Vāta, Pitta, Kapha (Primary) · **Time:** 30 min

Goal

Map the kapha-pitta-vāta cycle across morning/noon/evening hours.

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: *"What's one thing you remember from yesterday?"*

Today's idea (10 min)

- *doṣa* (IAST: doṣa; lit. "humour / functional principle")
- The day has three parts where each friend takes the lead:
 - **Morning (Cozy time):** slow start, good for breakfast, gentle movement
 - **Middle of day (Spark time):** sharp focus, biggest meal, schoolwork
 - **Evening (Wiggle time):** creative play, light dinner, getting ready for bed

Draw a sun arc on paper. Mark "C" near the morning, "S" near noon, "W" near sunset. Children colour each section with a different colour and add one activity to each.

Activity (8 min)

A simplified version of *Build a Doṣa Rhythm Clock* (see [activities/](#)). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See [homework.md](#).)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
