

Day 3 — Neem — Bitter Healer

Module: Herbs — Auṣadhi (Primary) · **Time:** 30 min

Goal

Identify nimba; learn about azadirachtin; understand high-dose safety warning.

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: “*What’s one thing you remember from yesterday?*”

Today’s idea (10 min)

- *nimba* (IAST: nimba; lit. “neem — *Azadirachta indica*”)
- Today: meet Neem! 🌿

Show a neem leaf. “*Taste a TINY bit on your tongue — careful!*” (Bitter!) Children make faces — that’s OK, neem is meant to be bitter.

SAFETY RULE: Don’t eat lots of neem! Just a tiny taste to learn. Always ask a grown-up before using neem.

Children draw the leaf and write “neem” beside it.

Activity (8 min)

A simplified version of *Blind Smell-Test Identification* (see [activities/](#)). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See [homework.md](#).)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
