

Day 4 — Turmeric — Golden Root

Module: Herbs — Auṣadhi (Primary) · **Time:** 30 min

Goal

Distinguish fresh root vs powder; identify curcumin as active compound.

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: *"What's one thing you remember from yesterday?"*

Today's idea (10 min)

- *haridrā* (IAST: haridrā; lit. "turmeric — *Curcuma longa*")
- Today: meet Turmeric (Haldī)! 🌿

Show fresh turmeric root (or powder). *"It stains everything yellow!"* Drop a tiny amount on paper. Children watch the colour spread.

"Golden milk = turmeric + warm milk + a bit of honey. People drink it when they feel poorly."

Children draw a yellow circle for the powder and write "haridrā" beside it.

Activity (8 min)

A simplified version of *Blind Smell-Test Identification* (see activities/). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See homework.md.)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
