

Day 7 — Iṣopaniṣad — Non-Greed Ethic

Module: Indic Ecology — Vasudhaiva Kuṭumbakam (Primary) · **Time:** 30 min

Goal

Translate *īśāvāsyam idam sarvam* and discuss its ecological implication.

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: "What's one thing you remember from yesterday?"

Today's idea (10 min)

- *yajña* (IAST: yajña; lit. "cycle of giving and receiving (BG 3.10–14)")
- An old wise verse says: "Take only what you need!"

The verse: "*īśāvāsyam idam sarvam...*" — "All this is one big home."

"If you take TOO much, others don't have enough. If you waste, the Earth gets sad."

Children think of one thing they sometimes take too much of (food, water, time on screens). They draw it with a small heart, promising: "I'll take just what I need."

Activity (8 min)

A simplified version of *Sacred Grove (or Local Ecology) Mapping* (see activities/). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See homework.md.)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
