

Day 7 — Build / Make — Day 2

Module: Project Implementation — Capstone (Primary) · **Time:** 30 min

Goal

Continue building; daily journal entry.

Materials

- Notebook, pencils, drawing paper
- (See lesson-plan.md for any day-specific materials)

The flow

Settle + chant (3 min)

Daily chant or breathing exercise.

Story recall (4 min)

Briefly recall yesterday's lesson by asking: "*What's one thing you remember from yesterday?*"

Today's idea (10 min)

- *anvayana* (IAST: anvayana; lit. "integration / following-through; capstone synthesis")
- More building today! Keep going on your project.

Children work for 25 minutes. Teacher helps when stuck.

If you finish early — make it BETTER (add colour, add words). If you're slow — keep going! Tomorrow we document.

End: high-five with a friend.

Activity (8 min)

A simplified version of *Mid-Project Critique Circle* (see [activities/](#)). Draw, sing, or act it out.

Wrap-up (3 min)

Each child shares one word that describes today.

Homework

(See [homework.md](#).)

Teacher notes

- Citations belong in teacher notes only, not in student-facing material at this band.
- Keep new Sanskrit terms to one per lesson, repeated several times.
- If energy is low, swap the activity for free drawing.
